Joint Student Fees Budget, 1974-75, Revised

Dr. Harrington indicated that when the Joint Student Fees Budget for 1974-75 was presented to the Board of Trustees the budget was very stringent and at that time he noted that if enrollments increased and reserves developed during the academic year the administration would work with the Joint Student Fees Committee to re-examine the budget. Dr. Harrington stated that following this plan he is now recommending the transfer of \$10,000 to the Joint Student Fees Budget to cover social activities including Friends Weekend in May and entertainment for students for the first week of summer session.

Mr. Schaaake raised a question regarding the \$1,000 proposed for transition team and Board of Control members' salaries. Mr. Schaaake indicated he felt this was contrary to Board of Trustees understanding.

The discussion continued with suggestions that the student government work in itself is a valuable experience for students, that credit might be granted for serving in a student government office, that the setting of salaries was a policy matter which should come to the Board of Trustees for approval, that in essence the salary matter had been approved by the board when it approved the new student government By-Laws (Section 1, page 4 refers to salaries). New Board of Control members Bob Fisher, Jim Ellis and Gordon Wellsandt spoke to the question indicating their views supporting the payment of salaries. After further discussion it was acknowledged that since the administration of the student government was being established on an entirely new basis there was no past experience to indicate how many hours of student time were going to be necessary to serve on the Board of Control. For this and other reasons, it was agreed to encourage the students to develop a policy on student salaries based on their experience and to present this policy to the Board of Trustees with the next Student Fees Budget.

Mr. Lawrence, Assistant Director of Campus Life, introduced Mr. Robert Fisher, Chairman, Board of Control and Mr. David Jones and Mr. David Wynn, two newly elected members of the Board of Control.

MOTION NO. 4194: Mr. Caron moved, seconded by Mr. Schaaake, that the Joint Student Fees Budget be approved as revised by Dr. Harrington. The motion carried with Mrs. Hunter indicating she was abstaining upon the advice of counsel.
